

Wearing a mask to school

My school wants kids and adults to wear masks. Masks come in all different colors.

Wearing a mask helps prevent us from spreading germs.

Wearing a mask might feel uncomfortable at first.

When I put on my mask,
I should make sure it is
covering my nose and mouth.

Some masks have elastic that
loops around a person's ears
and some tie in the back.

Even though I am wearing
a mask, I can still have fun
at school!

I can ask my teacher if
I need help with my mask.

Wearing a mask at school
is different.

I can handle this change. We
all hope that Coronavirus goes
away soon and we won't
need to wear masks for
much longer.
